

## Recreational Open House Viewing Schedule & Information

Dear Recreational Dance Families,

We are happy to invite parents and siblings to be audience members during our Open House Dance Classes, as the dancers are eager to showcase their dance lessons to you.

Please note there will be standing room only within the classes, and parents are asked to remove their shoes prior to entering the dancer hallway (indoor footwear is acceptable).

Please find the Open House Viewing Schedule for October, November and December here. These schedules indicate the three specific dates that you are invited to attend, one time per month, during the last 10 minutes of class.

For our 3-year-old dance classes, parents are invited to attend the full class and are encouraged to participate.

Upon arrival at the studio for the Open House Viewing dates, please wait in the lunchroom and a staff member will announce the start of the event and escort the audience members to the studio location.

Please review the schedule thoroughly for your specific viewing dates/times and see the front desk should you have any questions.

Thank You,  
Rugcutterz Management

Note: During Open House Viewing Dates the dance studio and parking lot will be busier than normal. We ask families to remain patient during these dates as everyone will experience an opportunity to be an audience member during their child(ren)s recreational dance classes. We thank you in advance and appreciate your cooperation and understanding.
